Dear License Applicant.

Attached are your 2008-2009 APBA license application forms.

Please supply, as requested, all details necessary to have your license issued. If any detail is not submitted, your application will be returned unprocessed with a note requesting the missing item/s.

This year, full licenses will **not** be issued at a race meeting. They need to be obtained **before** the race date. Clubs will only issue Event / Day or Novice Licenses.

As indicated on the "check list", applications will close on the Monday **before** the race date at 5.00pm. Time is needed to process them and return them to you. If you require a license to race and it is after this time period, you will be **expected** to purchase a Day or Novice license (which ever is applicable) and this cost will be refunded off your full license fee when you apply.

The onus is on you, the applicant, to have your paperwork processed in time to race.

If you have any queries, please feel free to contact me on any of the above numbers listed. (No home calls after 9.30pm. please)

I wish you all safe and fun 2008-2009 racing season.

Cherilyn Wilson
Victorian APBA Licence Officer.
